

Chinchilla Millennia

Jul 29, 2024

Chinchilla Millennia was crafted by the accomplished New York miniature sculpture artist Barbara Scott-Fisher, to commemorate the Millennial year 2000 founding of Chinchillas.com. This archetypal 'Chinchillas.com chinchilla' represents a new generation of chinchilla breeding: one that embodies the most select chinchillas kept by connoisseurs of extreme quality & rarity, & involving a class of enthusiasts willing to provide a better life for chinchillas. The result became a viable alternative to the pelt industry & commercial chinchilla production.
